Remove this

AI Assistant Active | 9 words | 1 min read | ● Auto-save

and remove this bottom bar since we already have these features in the toolbar

AI Improve | T 9 words | ⏱ 1 min | Tone   Page 1 | ● Auto-save

Add this   T 9 words ⏱ 1 min ◎ Page 1 of 1 ● Auto-save   to the bottom of the word doc page, floating over it but never being int he way of the words in the word doc. And make it look like this style

● AI Assistant Active | 9 words | 1 min read | ● Auto-save
.
Move this button   💾 Save   to the toolbar and change the name from save to Download and ensure that it functions as a download button where a dialog pops open so that we can download the word document contents only (it should not download the entire web page, this would be an error)

remove the space that is above the toolbar (see image below) and move the toolbar up to cover up that space now.

My First Document   T 9 words ⏱ 1 min ◎ Page 1 of 1 ● Auto-save 💾 Save
